L'Ambassadeur

Subject: Letter of support

Dear Madam,

I learned about your charity and socio-cultural project **International contest of children's drawings "Draw - me Peace"** and I would like to thank you for this initiative which highlights the commitment of French actors in peace promotion around the world.

Your project reflects the recent world situation, which requires that a constructive dialogue is established between representatives of different countries regardless of their ethnic and religious belongings. I am convinced that the best way to do this is to educate children on universal values such as solidarity, humanism and peace.

I fully support you in this approach.

Best regards,

Pascal MEUNIER
